

International Society of Nephrology

Beginning January 2006

A new editor for *Kidney International* Qais Al-Awqati, MB, ChB

The International Society of Nephrology is pleased to announce Dr. Qais Al-Awqati as the new editor of *Kidney International*. Beginning January 2006, Dr. Al-Awqati and his new editorial team will assume full responsibility for *Kidney International*. Dr. Al-Awqati will replace Dr. Saulo Klahr, from Washington University School of Medicine, St. Louis, MO, editor since 1997.

Dr. Al-Awqati will work with a strong international team to further build *Kidney International's* editorial quality, reach and impact.

MEMBERSHIP

The ISN provides an international forum for the exchange of knowledge, best clinical practice, and research. Since it was founded in 1960, the Society has constantly made major contributions to the worldwide advancement of education, science, and patient care in nephrology.

The ISN's more than 7000 members include researchers and clinicians from over 100 countries involved in basic, translational, and applied science. Through this global network of professionals, the ISN is focused on

designing programs that aim to understand and diagnose kidney disease and provide suitable treatment, either to prevent the disease or slow its progression.

Join the ISN today and become a member of the world's leading network of nephrologists. Membership includes a 1-year subscription to *Kidney International* and a number of other exclusive benefits.

For complete information relating to membership or any of the ISN's programs and activities, please visit the Membership section of the ISN Web site at <http://www.isn-online.org> or by contacting the ISN Global Headquarters at Avenue de Tervueven 300, B-1150, Brussels, Belgium.
